“Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek.”

Barack Obama

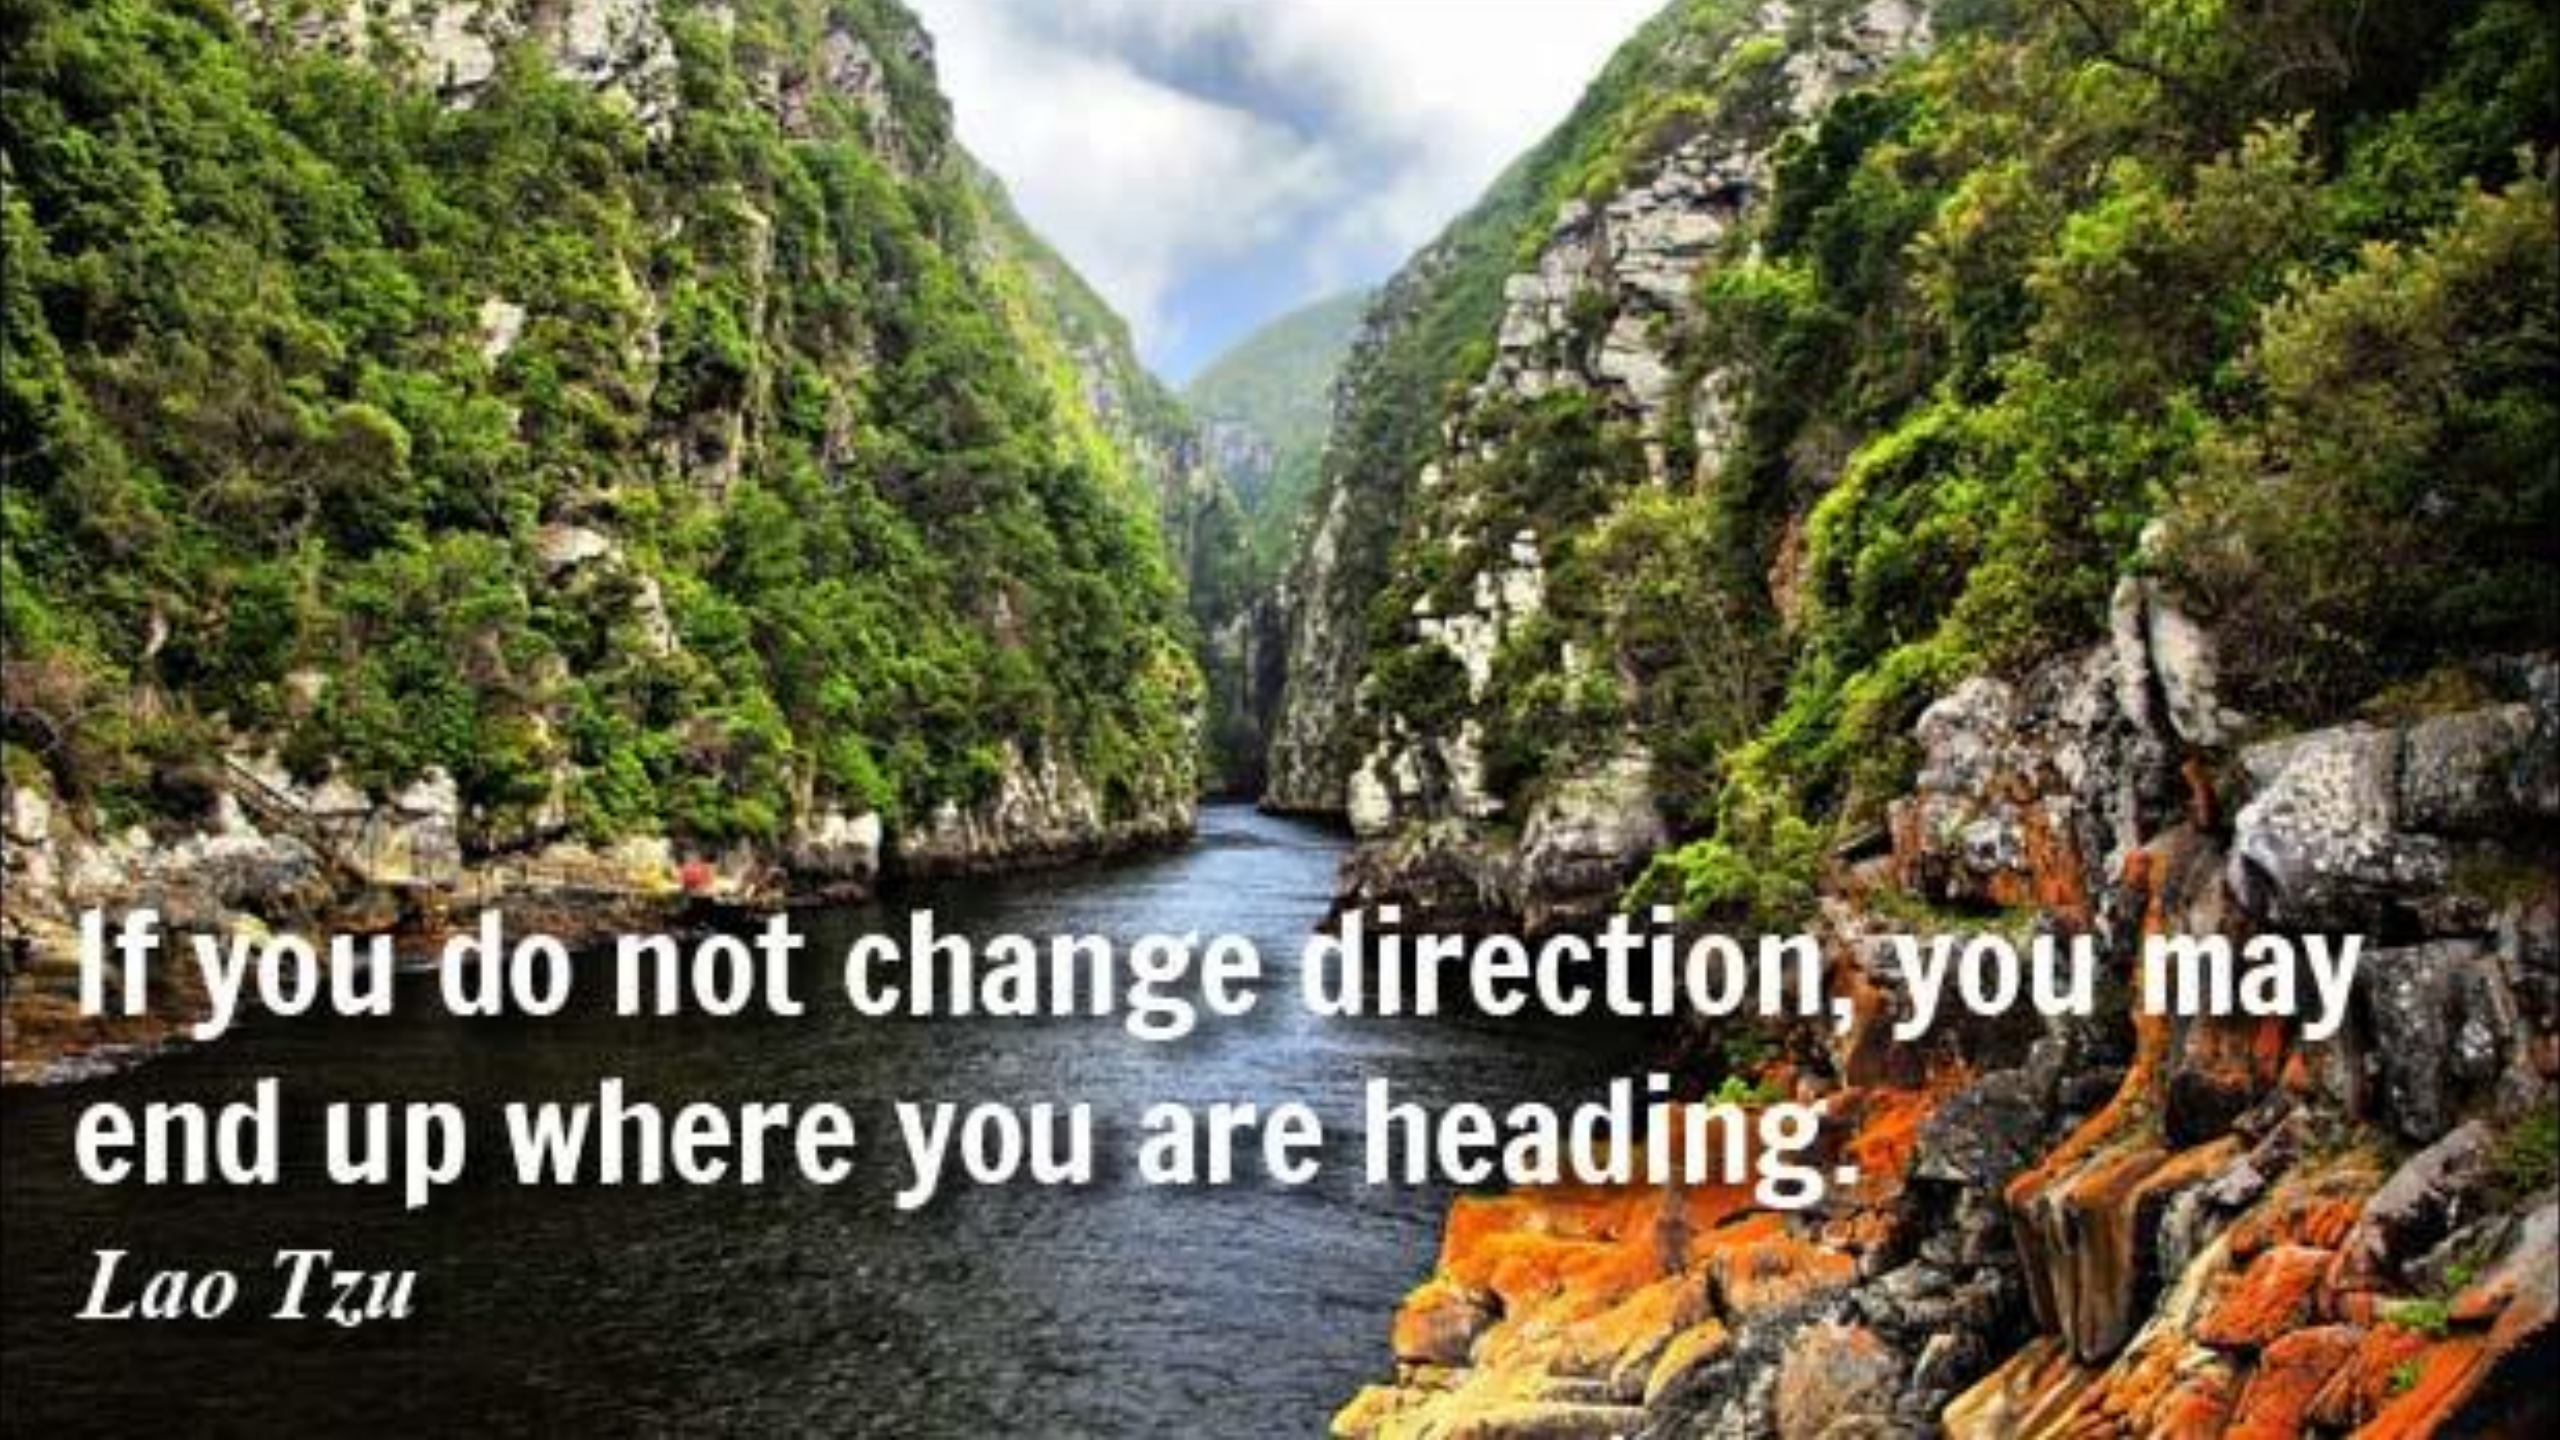

“You must be the change you wish to see in the world.”

Mahatma Gandhi

A serene landscape photograph of a sunset over a calm body of water. The sky transitions from a deep purple at the top to a bright orange and yellow near the horizon. The sun is partially obscured by a layer of clouds, creating a soft glow. The water in the foreground is still, reflecting the colors of the sky. In the distance, a line of trees is visible on the horizon. In the immediate foreground, the dark silhouettes of reeds or tall grasses are visible on both the left and right sides, framing the scene.

William Penn

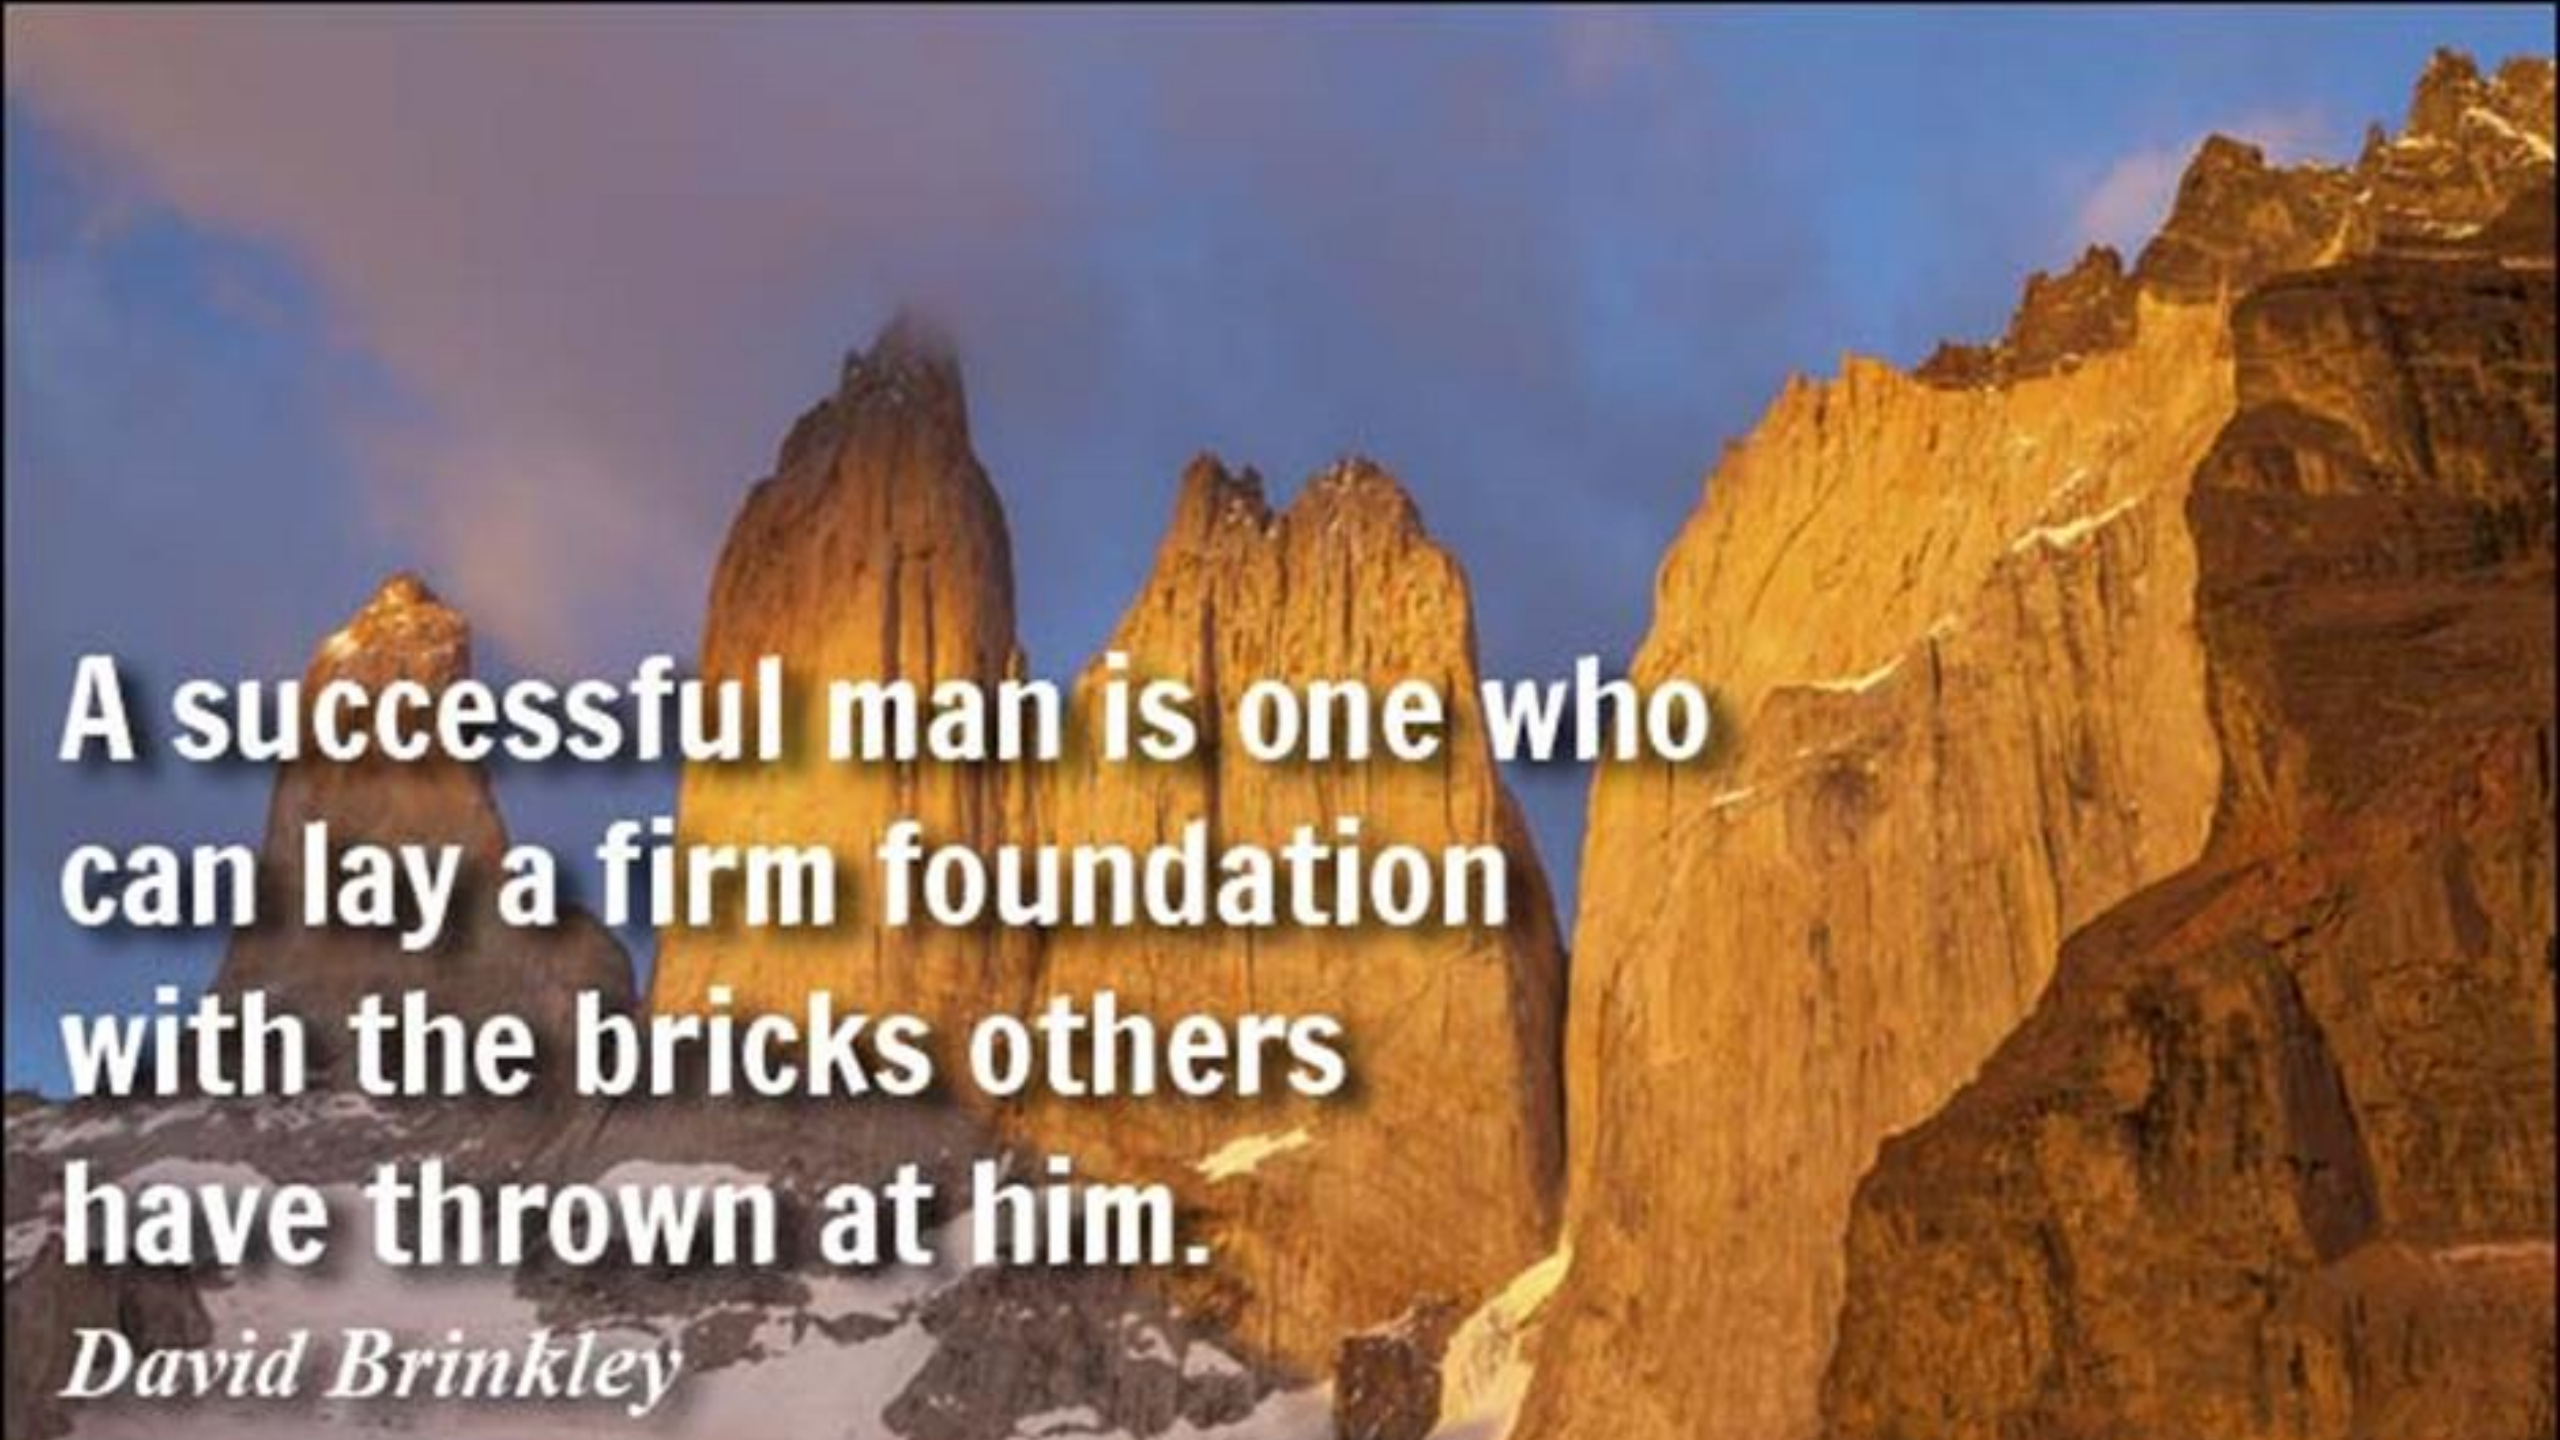

**If you do not change direction, you may

**We know what we are, but know

David Brinkley

Coming together is a beginning; keeping together is progress; working together is success.
